

**FHRA DRAG RACE WEEK & FIA and FIM Europe**  
**Test and Tune 28.-30.6.2013**

Dear Racers,

FHRA invites drivers and riders from FIA and FIM Europe classes to test and tune their cars and bikes at the Test and Tune Week 28.-30.6.2013.

FHRA Drag Race Week will be held one weekend prior FHRA NITRO Nationals 4-7.7.2013 at Alastaro Circuit.

FHRA will try to organize pits in a way that the racers will be able to stay on their pit areas at the Alastaro track until NITRO Nationals. Competitors will be able to leave their trailers and vehicles on the pit intermediate dates (1.-3.7.) without any extra fee except if competitors wish to use electricity during this time will FHRA charge electricity fee 230v 20 € or 400v 60 €/team.

FHRA will make their best attempt to offer top quality track and at least 1 round a day on Friday and Saturday for all FIA & FIM Europe racers who wish to participate for Test and Tune Weekend.

We will announce more specific schedule closer to the actual event when all the participants have confirmed.

Entry for Test and Tune Weekend is free for FIA and FIM Europe drivers and riders who will participate FHRA NITRO Nationals 5.-8.7.2012.

Invitation is for FIA and FIM Europe classes excluding Super Twin Top Fuel Bike (STTF) which will compete in EDRS category in FHRA Drag Race Week and have to pay entry fee as its shows in the Invitation for Drag Race Events in Finland.

All registrations to address [info@fhra.fi](mailto:info@fhra.fi) no later than 28.5.2013
